

# ATHENA SCONCE

## ARTERIORS

This steel sconce is equal parts neo-classical traditional and contemporary. The squared chain drop and elegantly shaped cage in vintage silver provide the perfect vessel to house the clear crystal sphere which is illuminated from a halogen bulb set above. This light is the perfect example of how jewelry has influenced my designs and would look beautiful above a mirror or in a pair over a long console table.

## DIMENSIONS

177.8 W x 228.6 D x 469.9 H mm
