

# HARRISON ARMCHAIR

WHITE

Kiln-dried solid Tasmanian Oak hardwood frame with double-doweled joints and corner blocks are the hidden features providing the superior strength required to consider this an “heirloom”™ piece of furniture. Coil spring suspension with solid webbed base ensures longevity and performance, as well as standardising each piece with Stainless Steel staples and nails for extra durability. Cushions are plumped with standard fill of high-quality foam core with a feather/fibre channeled wrap to provide softness and underlying support. Sleek tapered timber legs are also built into the frame for extra stability and are available in a range of standard stain finishes to suit your colour schemes.

Want to add your own personal touch? Inquire now for your options to customize through our bespoke upholstery program. Choose from your own specification or select from a variety of curated sizes, finishes, and fabric/leather options and get the proportion, colour, and texture you want for your space.
