

KASHMIR SIDE TABLE

BOYD

Hand Carved Mango Wood w/ Sandblasted Chocolate Finish & White Marble Top. Marble is a natural stone and is prone to veining, fine cracks and colour variation. Iron oxide within the marble causes areas of yellow staining and dark reddish brown marks which are not considered a fault.

DIMENSIONS

450 DIA x 550 H mm

MATERIAL & FINISHES

Hand Carved Mango Wood w/ Sandblasted Chocolate Finish & White Marble Top. Marble is a natural stone and is prone to veining, fine cracks and colour variation. Iron oxide within the marble causes areas of yellow staining and dark reddish brown marks which are not considered a fault.
