

LINKKA CHANDELIER

ARTERIORS

The Dallas and Karrington Chandeliers have become Arteriors icons with their unique takes on the Sputnik design. Now the Linkka Chandelier offers perhaps the most distinct version of the caviar-like trend. Six bulbs each with opal glass shades are spread across three different tiers yielding an unexpected vertical and slim silhouette. Finished in heritage brass. Additional pipe available (PIPE-172). Also available in vintage silver (89460). Approved for use in covered outdoor areas.
