

MAREK GLOBULAR VASE

ARTERIORS

The marvelous design in this glass vase was created by glassblowers using gold leaf. They follow an ancient technique that utilizes a series of heating and cooling processes and layers of glass with gold leaf. The result is this remarkable piece with astounding visual textures that are all produced naturally. The glass has a smoky tint that really makes the design stand out. Gold leaf design and finish may vary. Also comes in a globular vase (7402) a round vase (7470) and a lamp (17401-872)
