

MICHELLE LARGE SCULPTURE

ARTERIORS

Like a silver halo this grand sculpture is a towering example of modern beauty. Polished white marble holds in place a band that spans three feet in diameter. The pairing of a sleek pale brass finish with the elegance of the natural stone is not only a work of art but also a study in restraint. Tones within the marble may vary naturally. Also comes as a small version in black marble (9537).

DIMENSIONS

914.4 W x 101.6 D x 914.4 H mm
