

# MIDNIGHT FLORAL COLLECTION II

BOYD

Lines often define the edges of a form, they lead your eye around the composition and speak stories through their character and direction. The Midnight Floral Collection tells us a whimsical story of balance, flow, and juxtaposition where delicate lines intertwine and connect with each other, dancing in harmony. We see the ink gently leap off the paper and fall back within line gracefully, completing a fragmented yet seemingly choreographed routine of a beautiful flower arrangement.
