

NADIA SCONCE

ARTERIORS

Vertically symmetrical in design two conical lamps form the brilliance that is this sconce. Crafted entirely of stainless steel a single post stands from a square plaque mount with matching shades casting light both upward and downward. The effect is quite moody and dramatic. Both lamps are lined with a matching metal shade so the sconce is touch-safe when switched on. Also available in antique brass (49169). Approved for use in covered outdoor areas.
