

NINA LAMP

ARTERIORS

This table lamp is designed in the likeness of an Art Deco candlestick with its own class and sophistication to boot. Crafted from iron itâ€™s slender tapered and just a little geometric exuding so much styleâ€™ especially due to the verdigris finish which gives it a lovely faux patina. Antique brass finish accents only add to its allure. Topped with a drum shade in beige linen with ivory cotton lining and matching brass ball finial.
