

# NOMAD COCKTAIL TABLE

ARTERIORS

The unity of true craftsmanship and utility is a match made in heaven. This cocktail table is just that with a feature you wouldn't expect. It's built from iron which has been expertly hammered and antiqued to give it a texture and color. Then it's topped with a solid plate of mirrored glass that features a bold bohemian pattern. Here's the surprise: the quadrants below fit our wedge ottomans (DC2002) so you can tuck some extra seating. Antiqued mirror finish and pattern may vary.
