

PARNELL DESK

ARTERIORES

Grand curvatures and modern gray tones make for an inspiring place to work. The frame is coated in an exclusive charcoal lacquer rounded to give the desk a uniquely updated design. On the wide work space is a lacy and light tropical ofram wood ven eer in chateau gray laid with a slip matched technique where the slices are patterned in the same way rather than alternating. In keeping the faÃ§ade clean and sleek the drawer features a recessed handle with single extension soft-close glides.
