

PHOENIX WOOD VESSEL 11"

PALECEK

For nearly fifty years, Palecek designs have been inspired by the intrinsic beauty of natural materials. Strong partnerships with artisans around the world, have produced a signature style that marries centuries-old traditions with distinctly modern finishes. Solid hand-turned wood with a hand-rubbed matte black charcoal finish. Wood may slightly crack and is considered a natural occurrence, not a defect. Not recommended for extremely dry climates. No two pieces will be alike.
