

PRINCETON LAMP

ARTERIORS

Classic with a twist. This table lamp takes a geometric spin on the transparency of cut crystal; it is a towering masterpiece with sharp angles and multiple facets. The smoke crystal form mimics a traditional candlestick though modernized with a streamlined look. The base is made of steel with a vintage silver finish which pairs beautifully with the crystal tone. It is topped with a gray linen drum shade and fitted with a matching smoky crystal finial.

DIMENSIONS

432 DIA x 762 H mm
