

ROCCO PENDANT

ARTERIORS

Undoubtedly modern this handsome fixture also reveals influences in industrial design and geometric art. The entire piece is cast from iron featuring two contrasting finishes in natural iron and antique brass. Each light is mounted inside a disk ring allowing the finish inside to cast a more brilliant surrounding glow. It's beautiful down to the details: brass welding joints and a slightly-aged finish. Additional pipe available (PIPE-197). Approved for use in covered outdoor areas.
