

# ROOK SMALL PENDANT

ARTERIORS

This pendant is a great example of how concentric circles can influence product design. These hand-carved undulating wood circles are arranged to create a contemporary open sphere finished in a gray-wash. While appearing to float around the single light these hoops are secured with filament wire. This is a natural element in a beach house. Shown with a nostalgic thread bulb. Additional chain available CHN-101.

<b>DIMENSIONS</b>	609.6 DIA x 1524 H mm
-------------------	-----------------------

<b>MATERIAL &amp; FINISHES</b>	1 Light/ Natural Wood
