

# ROWLF PENDANT

## ARTERIORS

Find the elegance in simplicity with this luxurious drop pendant. The rounded shade is crafted from thick glass with finely cut details. The wide channels cut into the glass brilliantly cast the light while also adding a more elevated look to its classic style. It hangs from an iron frame in an antique brass finish with a cross mount that holds the glass shade—a detail we think also acts as a nice accent. Additional pipe available (PIPE-199).
