

# SHELBY ACCENT TABLE

## ARTERIORS

This accent table livens up a space with its charming and unique design like a bubbly party guest. It stands on a four-footed antique brass base featuring clean lines and angles. But itâ€™s the tabletop that is the most intriguingâ€”ebony-finished solid oak inlaid with an irregular brass pattern. The underside of the table has an inward bevel to mimic the angles in the footed base. Itâ€™s the perfect size to nest in a set or cluster for a custom look.
