

SOLANO SQUARE TRAYS SET OF 4

ARTERIORS

This set of four textured aluminum trays was inspired by the exploration of modern shapes and artistic finishes. The set is cleverly designed so that the three smaller trays rest neatly inside the larger one and each size is given a unique finish in varying degrees of distressed copper. The fluid finishes pair beautifully to bring out the textures of the metal and add color. Theyâ€™re great for entertaining laid out in a spread or simply as a decorative accent. Finish may vary.
