

STELLA DECANTERS SET OF 3

ARTERIORS

This sultry trio makes a dramatic statement for a tabletop or bar cart. Together they create a trifecta if you will of color shape and height. Each is blown with optic glass which is what gives them an alluring twisted banding and the neutral color palette of amber smoke and amethyst is a moody take on a range of pastels. Elevate barware or simply display them to establish a bit of sophistication. Finish may vary.
