

TERALYN LAMP

ARTERIORS

Form meets function with this sophisticated yet playful piece. Canine crystal orbs with a light smoke finish are artfully arranged around pale brass steel appearing as if they are floating. The presentation of the spheres works well to break up natural light but looks especially stunning when illuminated by the soft glow of the lamp. Topped with an off-white microfiber drum shade with off-white cotton lining and a matching metal finial. Finish may vary.

DIMENSIONS

406.4 DIA x 711.2 H mm
