

TORONTO LAMP

ARTERIORS

The unique play on geometrics and the unconventional design make this lamp is far from ordinary. An irregular bullseye pattern in black is a stark contrast to the ivory gloss that paints the ceramic and delivers a bold graphic statement to a space. Showcased on a square acrylic base that creates a floating effect and draws attention to its eccentric shape. Topped with an oval off-white linen shade with off-white cotton lining and a matching ceramic finial. Finish may vary.
