

# ULANI LAMP

## ARTERIORS

Natural teak root has been unearthed to create this bold and unique lamp. The irregular shape and hand-carved ribbed surface delivers a textural quality to the rich ebony finish. Small holes pierce the organic formation due to natural erosion but this only enhances its eye-catching aesthetic. Topped with an off-white linen drum shade.

All Arteriors lighting pieces are re-wired with black wiring

## DIMENSIONS

508 DIA x 635 H mm
