

UTOPIA CHANDELIER

ARTERIORS

Create a utopian lightscape with this daringly dynamic chandelier. An 8-light antique brass steel frame spiders out to exhibit hexagon-shaped opal swirl glass each arm audaciously extending through its surface. The billowing pattern and opaqueness of the geometric glass forms help break up the light and create a stunning and serene scene. Glass may vary. Approved for use in covered outdoor areas. Additional pipe available (PIPE-203).
