

# VINTON LAMP

## ARTERIORS

The Vinton Lamp: sculptural in form and dynamic by design. Four antique brass pillars pierce a rectangle faux marble base expressing a clean geometric form. The blend of materials work together to create an elegance that is even more so defined when illuminated by a brilliant bulb. Its open design delivers an airiness and adds a dimensional quality to its textural properties. Topped with a tapered off-white microfiber shade with off-white cotton lining and a matching finial. Finish may vary
