

WAINWRIGHT LAMP

ARTERIORS

The artistry of this vase-shaped lamp is both unique and understated. Echoing a Moorish design a faux marble base is shaped around an antique brass steel base to create the subtle play on geometrics. A simple braided design has been embossed onto the handles to add a textured element to the otherwise soft façade. When in use the intricacy of the details are highlighted. Topped with an off-white linen drum shade with white cotton lining and a matching metal finial. Finish may vary.
