

WHITLOCK MIRROR

ARTERIORS

Inspired by the resilience of the sea the Whitlock Mirror is a testament to nature's beauty. Rattan is woven and bound together with dark leather and then finished in a gray wash to create a classic yet intriguing design. The thick diameter of the rattan surrounds a large round beveled mirror creating a slight convex. Its stately frame is accompanied by a decorative top ring that delivers a nautical element to this natural piece. Finish may vary.
