

WILSHIRE DECANTERS SET OF 3

ARTERIOURS

The subtle play on geometrics and the mix of materials that work together to create this decanter set is quite brilliant. Lead glass with a clear finish creates a crystalline effect that accentuates the sophisticated white marble and antique brass stoppers each decanter bearing a unique shape. Evoking classic elements of style and design this set will upgrade your next cocktail party's serving station. Watertight and food safe. Marble may vary.
